

BLENDING INTENSIVE PROGRAMME WARSAW WSZECHNICA POLSKA

LEARNING ORGANIZATION FOR FUTURE DEVELOPMENT

Dates: 13-17.05.2024

Application deadline: 15.03.2024

Location: Wszechnica Polska Academy of Applied Sciences, Warsaw, Poland

Join the Erasmus+ Blended Intensive Programme: "Learning Organization for Future Development" organized by Wszechnica Polska Academy of Applied Sciences in Warsaw (Poland), Neapolis University, Pafos (Cyprus), Universidad Francisco de Vitoria, (Spain) in Warsaw 13th -17 th of MAY, 2024.

TAKE PART IN A UNIQUE EVENT IF YOU ARE INTERESTED IN MANAGING ORGANIZATIONAL DEVELOPMENT, FUTURE COMPETENCES AND MANAGING ORGANIZATIONAL DEVELOPMENT.

During lectures and workshops, we will consider the competences of the future, creating learning organizations and companies open to new challenges and experiences.

Together we will look for answers to questions about the challenges faced by trainers and coaching participants. Debates and discussions participants will analyze the competences of future leaders and the challenges of the green transformation for the economy and society.

The main theme of the planned debates is **DEVELOPMENT OF SOCIO-ECONOMIC ORGANIZATIONS FOR A COMMON FUTURE**

The organizers hope that Blended Intensive Programs will be a good opportunity to discuss modern trends in organizational development and management.

Most important benefits of our program:

- § short, intensive, and joint mobility curriculum and activities
- § short physical mobility period (5 days) and also take online activities
- § a rich program of social activities as well as study visits to institutions related to the subject of the course
- § opportunity to meet both students and University staff from different universities
